We are thrilled that we have all teaching staff returning with us for next year. We really value strength in continuity at Oasis Bank Leaze. We also welcome back Mrs Tyler from her maternity leave - Mrs Tyler will return at the end of June, we can't wait to have her back.

As mentioned in previous newsletters, we are trying an enhanced transition offer for all pupils this year. Pupils will gradually be introduced to their new teachers and classrooms regularly over the coming weeks. The children have met their new teachers this morning for a class assembly in their current classrooms. Each week their new teachers will spend time with them and begin working with the children. We feel this will benefit the children and help with any worries children may have moving to a new teacher and classroom. We also feel this will be beneficial to children's learning too as new class teachers will teach the children ahead of the summer and know where the children are at academically and how they like to learn.

We will let you know about support staff placements closer to the end of term. For now, current teaching assistants, will stay with the classes when they meet their new teacher so there is some continuity for all. SEND children, or children who have been identified as needing extra support with transition, will receive an enhanced transition offer, bespoke to their needs.

Towards the end of term in July, parents will also have the opportunity to meet their child's new teacher and teaching assistant as they will dismiss once or twice at the end of the day before the end of term and also be around when children receive their reports on Wed 10th July.

If you have any questions about this, please do not hesitate to get in touch with me- the easiest way to do this is via the info@oasisbankleaze.org account.

Kind regards,

Ms Nelson
