Strategy Statement:

This year we have formed an innovative partnership with the Bristol Sport Trust – the is the charitable, not-for-profit, youth and development arm of Bristol Sport, the group containing Bristol City FC, Bristol Bears, Bristol Flyers and Bristol Jets Badminton.

Bristol Sport key to our aim to maximize participation and skill levels in Sport and PE – both of pupils, and for sustainability, staff.

Bristol Sport will be providing two coaches to work with our pupils and staff two days a week: delivering physical literacy programs, sports teaching, teacher development and mentoring (school staff are involved in every session during the school day), lunchtime clubs and after-school clubs (for KS1 and KS2 pupils). They also provide pupils with the chance to access additional inter-school competitions and to visit high-quality sports venues to watch and be inspired by top-class sport (each term, every pupil in every club receives tickets to Bristol Bears rugby or Bristol City FC).

Bristol Sport's delivery model is based around one school-centered Head Coach who will be part of our team every Monday and Wednesday and a group of specialist, expert coaches for specific sports. These coaches are sourced from Gloucestershire Country Cricket Club, Bristol Flyers, Badminton England, Kingswood Gymnastics, Bristol City FC and Bristol Bears, amongst others.
