

KNOWLEDGE ORGANISER: All About Me and My Family

Who am I?

What do I like/dislike?

Who is in my family?

Are all families the same?

Next topic: How do we look after ourselves?

We will be:

Choosing between different activities – what do I like and what don't I like?

Trying different foods and sharing which ones I like and which ones I don't like.

Talking about who is in our family and making a family tree

Sharing photos of our family and talking about special times with them

Use the Tapestry app to tell us about your family

Key information:

Everyone is different and we can celebrate our differences. We all like and dislike different things and that is okay.

We all have different families and people who care for us. Some might live in our home with us, and some might live further away.

There might be some special times that you share with your family, like celebrating birthdays. Some families might celebrate the same things as you and some might celebrate different things.

We can listen to stories about each others' families and some of these things might have happened before we were born!

Key vocabulary:

Me/I

Family

Home

Occasion

Celebrate

Family Tree

Preference

Past

History

Listen to the story "In Every House on Every Street"

LEARNING MAP

Rising 3's

Can they tell a story with events in the correct order

Can they draw images of people in their families with some key features

Can they make links between people in their lives and their occupations?

Future Learning

Reception - Self Topic

Talk about members of their immediate family and community.

Horizons

Linked Texts

In Every House on Every Street – Jess Hitchman
