

Teacher: Miss Gatling

Term 1 Class Newsletter-

Mrs Tyler- Tuesday Teacher

Year 3 Considerate Chameleons

TAs: Miss T and Miss C

**Important class dates:**

Wednesday 25th September- Fieldwork walk around local area

Thursday 26th September- Year 3 Trip to Belmont

Wednesday 16th and Thursday 17th October- Parents Evening

Friday 18th October- INSET Day

Thursday 24th October- SS Great Britain Trip

**Times Tables and Spelling tests:**

Every Friday, children will be tested in school on times tables and spellings. On Friday, children will receive a score out of 10 which will be recorded in reading diaries.

There will be a weekly challenge set on Sumdog for children to practise their maths skills.

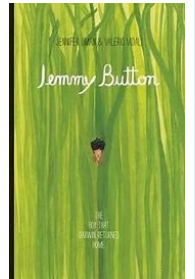

Please ensure reading diaries are brought into school daily especially on a Friday.

**PE-** PE will take place for the children on MONDAY and THURSDAY. Children must come to school in P.E kit on these days: house coloured T-shirt, black jogging bottoms, leggings or shorts, trainers, long hair tied back and a blue P.E hoody.

**Our term's Writing:**

We will begin Term 1 by exploring Jemmy Button and thinking about the journey he goes in.

We will then explore the poem reflection in me and will use this to write a positive poem reflecting all the things we like about ourselves.

**Our Habits for September and October are:**

This term we are thinking about "Who am I?" and "Who am I becoming?"

We are thinking about how we can understand our identity—the things we are good and the things we want to get better at. Then we will think about how we are going to achieve our goals for this year and who we want to be.

We will also start to think about the habit of Hopeful. We will think about what we are looking forward to this year and how we can make a better tomorrow.

**Topic:** This term our topic is 'I wonder how Bristol has changed overtime?'

**History:** In History this term we will be exploring how Bristol has changed overtime by looking at photos and taking part in a fieldwork walk around the local area where we will identify changes to the human and physical features that we can see. We will use this information to help us to chronologically plot the history of the local area on a timeline.

**Geography:** This term we will be exploring the human and physical features in Bristol and comparing these to our Oasis link country Uganda. We will think about the similarities and differences between the two and think about the importance of both human and physical features.

**Science:** We will be exploring the human body investigating the skeleton and the function of the bones. We will explore different types of skeletons and think about how the muscles work in our body. We will then think about nutrition and how this helps our body.
