Monday 11th March- INSET Day

W/C 18th March- Year 3 Swimming

Wednesday 20th and Thursday 21st March- Parents Evening

Thursday 21st March- Year 3's Class Assembly

Wednesday 27th March- Spring Disco

Our term's Writing:

This term we will explore
The Secret of Black
Rock by Joe Todd Stanton.

We will use this story to explore the
underwater world and then write a
narrative based on fear.

Then we will be exploring
the text Tin Forest and
writing a newspaper article.

Times Tables and Spelling tests:

Every Friday, children will be tested in school on
times tables and spellings. On Friday, children will
receive a score out of 10 which will be recorded in
reading diaries. There will be a weekly challenge
set on Sumdog for children to practise their maths
skills. Please ensure reading diaries are brought into school

Habits

The habits for February and March
are Compassionate and Forgiving. We
are looking for children who can
place themselves in the shoes of
another to understand their situation
and who are able to forgive others
by choosing to not
let past actions af-
fect future actions.

PE- PE will take place for the children on
WEDNESDAY and THURSDAY. Children must come to
school in P.E kit on these days: house coloured T-shirt,
black jogging bottoms, leggings or shorts, trainers, long hair
tied back and a blue P.E hoody. On the W/C 18th March,
Children need to have their swimming things each day.

Topic: This term our topic is 'I wonder how we can help life below water?'

Global Goals

This term we are learning all about the Global Goals and in Year 3 we
are focusing on Global Goal 14 Life Below Water. During our Global
Goal lessons we will be learning about GG14, planning a changemaker event, car-
rying this out and then reflecting on this.

In our geography lessons we will be learning about the features of a coast and
how these change over time.

In our history lessons we will be learning about the history of the 2 Minute Beach
clean and putting this onto a timeline.

Science

This term we will be investigating forces and magnets. We will begin by
learning about the different forces and then move on to understand
what a magnet is.
