Times Tables and Spelling tests:

Every Friday, children will be tested in school on times tables and spellings. Spellings will be sent home termly and Arithmetic practice will be set on Sumdog and TT rockstars weekly. On Friday, children will receive a score out of 10 which will be recorded in reading diaries for parents to see. Please ensure Reading diaries are brought into school daily.

The habits for November and December are Hopeful and Joyful.

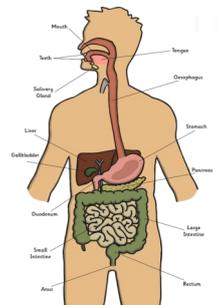

We will be encouraging the children to think about how we can work for a better tomorrow and how we can be positive people who help others to be the same.

Topic: This term our topic is "I wonder where my water has come from?"

Geography: In geography, we are going to be taking an in-depth look at the water cycle. We are going to explore what each part of the water cycle is and discover how it is a never ending cycle. This means we could be drinking water that dinosaurs also drank! We will be making our own water cycles so we can see what is happening in the process.

Science: In our science lessons, we are going to be thinking about our digestive system with a particular look at the role of our teeth in helping us chew food and what the different parts of our body do. We will also compare how the human body works to those of different animals and even plants!

P.E.

P.E. will take place for the children on WEDNESDAY and FRIDAY. Children must come to school in PE kit on these days: House coloured T shirt, black jogging bottoms, leggings or shorts, trainers, long hair tied back and PE hoody.
