

Horse Therapy

Dear Parent / Carer,

We are delighted to let you know that your child has been chosen to take part in a Horse therapy course, at Avon Riding Centre. We hope that this course will help them work towards their pathway targets and meet their wider school needs. The children will take part in a range of activities from how to look after and care for a horse, feeding them, grooming and communicating with them.

The children will attend this course every Monday for term 1. The sessions will run from 10am - 11am each Monday. If your child is not well on a Monday it is essential you let us know, as soon as possible, as another child will go in their place- as you can imagine this is a very sought after course, with limited spaces and significant cost- we expect children to attend every session if at all possible.

Children need to come to school in warm comfortable clothes. Children need to wear wellies if they have them- if not we can lend them a pair. We will walk up and back to these sessions regardless of weather conditions, so please make sure your child is dressed appropriately.

Please complete and sign the permission slip below, to accept your child's place and return to the main office.

Yours sincerely

Mrs Giles

Sports Coach
