LET'S FILL EACHOTHER'S BUCKETS!

As a school we use the book 'Have you filled a bucket today?' to help children understand about being kind and the impact it has. We look at this at the start of each term and return to it often. Your child may come home with a sticker which says 'I'm a bucket filler' which means they have been kind or helped someone else feel great that day. We had a few incidents at the end of last term with parents being unkind or saying things about other children in our school. Please can we ask parents to be mindful of the impact of their words- if you have a concern or problem please come to the office to let us know and we will take it from there. Let's try and get the whole community to fill each other's buckets!

DATES FOR YOUR DIARY This term always gets very busy! We will try our best to keep you informed of upcoming dates and events via the newsletter and our school calendar on the website. PARKING ON CORBETT CLOSE

We have received complaints from our neighbours about parking on Corbett Close of cars blocking drives and being anti-social in their behaviour. Please can we remind parents to try not to come up onto Corbett Close when dropping off or picking up your children. The road is a bottleneck and makes the start and end of the day unpleasant for everyone when it is congested. Why not try and get some extra steps in and park a little further away. This will help keep everyone safe and ensure we are working with our local community. There will be a raffle ticket for every child who does this each day— get your child to tell their teacher if you chose not to drive up Corbett Close.

PLAYLEADERS IN THE PLAYGROUND

At Oasis Bank Leaze we are encouraging pupils to take on leadership roles. Mrs Giles has trained some Y5 children to be play leaders— this means the children are outside at playtime at lunchtime helping facilitate different games and to encourage children to play nicely.

Our new Playleaders for terms 3 & 4 started their roles this week, instantly making a good impression and engaging other children in play. Some incredible scores were recorded for the playleader speed bounce challenge with Mrs Giles leading the teacher leader board so far...

FUNDRAISING SUPERSTAR!

Congratulations to Kiera in Year 6 who raised an amazing £120 for the little princess trust by donating her hair at the Christmas Fayre.

OASIS 9 HABITS

Our January habit is Patient

We will be focusing on the following behaviour indicators:

- Has developed some simple practices and techniques to be patient and stay calm.
- Can spot the physical signs when they aren't feeling patient and knows what to do to feel calmer.
- Has a calming influence on others.

This habit fits in perfectly with our well being assembly theme this term. We are working on self regulation strategies across the Academy and practising our calming techniques.

ATTENDANCE MEETINGS

We know attendance is tough at the moment with everything with COVID and also chicken pox within the school. Please make sure your children come to school every day that they can. If they wake up feeling a bit 'not in the mood' (!) those are the days it is really important to get them in so that if they are ever ill it won't affect their learning so much. Attendance meetings are taking place tomorrow and next week for those who have had a significant amount of time out of school.
