CRICKET SUCCESS!

Well done to the Year 6 Cricketers who competed in the Gloucestershire Cricket Dynamos Schools Competition. They not only received coaching from a Western Storm player on the day but went on to come 3rd out of 11 schools only losing to the overall winners in the Semi Final. A fantastic achievement and Mrs Giles was given several compliments by other teachers and coaches about how well the children behaved and how

GREAT BANK LEAZE BAKE OFF!!

As part of our Jubilee celebrations, all year groups have been baking Great British recipes. Year 1 and 2 have been decorating cakes in Jubilee colours with Nursery having a go too.

Reception have iced crown biscuits.

Year 3,4 used their weighing and measuring skills to make the British classic Jammie Dodgers while Years 5 and 6 baked fruit scones and had the infamously British cream tea.

FOOD PANTRY EVERY THURSDAY AFTERNOON

We have added in a free coffee session to our regular Food Pantry slot on a Thursday afternoon between 1 and 3pm in our Hub Room

ABSENCE FOR LEAVE REQUESTS

If you need to request leave for an appointment or other occasion, please make sure you are applying in good time (2 weeks notice minimum) via the office. Once you have filled out the form a text message will be sent to you letting you know if your leave has been approved. We know that your child may occasionally need approved leave and we are very happy to support you with this. When we are looking into whether the leave will be authorised or unauthorised we take the child's attendance to date into account.

ATTENDANCE R-6

ATTENDANCE- Please make sure your children come to school every day that they can. If they wake up feeling a bit 'not in the mood' (!) those are the days it is really important to get them in so that if they are ever ill it won't affect their learning so much.

Enjoy the outdoors but 'be tick aware'

Being tick aware by using the following information can help to reduce the chance of tick bites and risk of Lyme disease:

- ticks can transmit microbes that cause infections such as Lyme disease
- you could be exposed to ticks whenever you spend time outdoors, including when in your garden or the local park
- ticks mainly attach to animals, but sometimes they may bite you or your family
- you can reduce the chance of tick bites by walking on clearly defined paths, using insect repellent and performing **regular tick checks**
- some tick bites can result in infection, so it is important to remove ticks safely and as quickly as possible
- the safest way to remove a tick is by using a pair of **fine-tipped** tweezers or a tick removal tool
- if you begin to feel unwell with flu-like symptoms, or develop a spreading circular red rash (which usually appears within 1 to 4 weeks after being bitten), **contact your GP or NHS 111 promptly**. Mention if you were bitten by a tick or have recently spent time outdoors
