FARESHARE FOOD/ FOOD PANTRY

We are now calling our FARESHARE food delivery-Food Pantry. Food from fareshare will be available to be collected from 2:45pm every Thursday from the Hub Room. For £3 you can get 2 bags of shopping!

CHILDREN REGISTERING WHEN ENTERING THE BUILDING BEFORE SCHOOL

Thanks to lots of hard work from Mr Pacheco and the office team we are looking at ways to improve entry and exit practices on our school site. One of the first things we have looked at is how we are registering children who are on site before morning class registration eg breakfast club pupils. Mr Pacheco has set up a sign in system on the screen in the office. Please work with us this week as we start to roll this out for everyone. We hope the children enjoy signing themselves in on the screen. The children will then be registered again with their class during morning registration in the class rooms but means we can account for children more easily this way before class time. Thank you to Mr Pacheco and the office team for you work on this!

RECEPTION, Y1 AND Y2 PARENTS- GOODBYE AT THE CLASSROOM DOOR

We kindly ask that you say goodbye to your child at the classroom door from this week onwards. We always endeavour to make our site as safe as possible for everyone and for this we ask that parents do not enter the school building unless invited in or via the school office. It is a great start for the children to hang their own coats and bags on their pegs too, the class staff are ready to support them with this. Thank you for your cooperation in this matter.

WORLD BOOK DAY FRI 3rd MARCH 2023

We are excited that it is almost time for our World Book Day celebrations at Bank Leaze. This year we will be holding World Book Day on **FRIDAY 3rd of MARCH**. We will be celebrating a day later than everyone else due to a pre planned trip for Y3 and 4 on National world Book Day and we also think it will be a lovely way to end the week too! We are really excited to celebrate sharing stories across the school and all are welcome to come in on this day dressed up as their favourite book character!

GLOBAL GOALS-WORLD'S LARGEST LESSON

On Thursday Year 1 to 6 took part in the World's Largest Lesson. This was a very exciting afternoon as we learnt about Global Goal 17 as well as our individual class Global Goal. We then came together at the end of the day to share our Global Goal and our to do list. The children have been challenged to spread the message of their global goal as far as they can, this could be by making a poster, telling a family friend or even telling someone who lives in another country. We are very excited to share our learning with you as we explore the global goal and take part in a change maker event to make a difference. Here is a link if you would like to learn more about the Global Goals as a family: <https://worldslargestlesson.globalgoals.org/resource/family-activity-pack/#:~:text=These%20Global%20Goals%20are%20focused,world%20on%20the%20Global%20Goals>

EASTER EGG HUNT FOR ALL PUPILS! WED 29th MARCH

On Wednesday the 29th March we will be holding an Easter Egg Hunt around our school playgrounds. It will cost £1 to enter and children will receive a yummy prize once they have found all the eggs! You will be able to collect your hunt sheet from the benches on the playground outside Reception and Yr1/2 any time between 3.15-4.30pm. This is at the same time as classes R-Yr6 Open afternoon. Come along before or after you visit your child's class to join in with the Easter fun and help EYFS raise some funds for class resources!

SEND COFFEE MORNING WED 8th MARCH 9:00-10:30-- OPEN TO ALL WHO WANT TO ATTEND

Come along to our SEND Coffee morning hosted in partnership with Bristol Parent Carer Forum where you can find out more information on what support is available locally for your child with special educational needs and disabilities. Wednesday 8th March 9 – 10.30 in the Hub Room.

SAFER INTERNET DAY

We kickstarted Term 4 by celebrating Safer Internet Day across the school. This year the theme was 'Want to talk about it? Making space for conversations about life on line'. During the day, classes took part in a range of activities to explore how we can solve problems on line and how being on line can make us feel. We also launched our competition for children to make a video of how they can stay safe on line. Winners will be announced this week! We also enjoyed inviting parents into school for our Technology Festival and we shared all our learning throughout the day. If you would like more information on how to support your child on line then please visit www.saferinternet.org.uk/guide-and-resource/parents-and-carers. You will find advice on how to support your child when using a range of Technology.

OASIS HABITS FORGIVING March

- Willing and able to apologise and take responsibility for their own actions.
- Gracious and shows understanding towards others when they make mistakes.
- Works through conflict in a really positive way and is helping others to do this too.

Star of the Week!

A HUGE well done to this week's winners. You've worked really hard and have shown an exceptional attitude to learning! 20th Feb 2023

R	Mason	-For working hard to read and write CVC words. Well done Mason!
1	Ethan Andrew	-For working incredibly hard on his writing and challenging himself to write more. -For sharing good ideas on problem solving during e safety discussions.
2	Dawid	-For understanding the 6 steps to take when reporting about online safety.
3	Betsy	-For super ideas during safer internet day, creating a fabulous poster and sharing ideas with others
4	Ivy	-For excellent work during e safety week and making a fantastic poster about staying safe online
5	Briannah	-For some great work on our Safer Internet Day and for making a great video showing how to stay safe online.
6	Myia	-For her great understanding of how to keep safe online on our E-safety day. She has also worked really hard in Maths and has shown that she can answer word problems with converting metric measure. Well done, Myia.
Teacher	Mrs Weare and Mrs Lennox	-For helping us learn so much about E Safety and Computing.
