## HEALTHY LUNCHBOX COMPETITION

For the Summer Term, we are launching a Healthy Lunchbox competition across the school. Miss Parsons, Mrs Giles and the lunchtime staff will be rewarding children who have healthy lunchboxes with stickers that will be collected as a class. At the end of the term, the class with the healthiest lunchboxes collectively will win a dodgeball game versus the teachers in the last week of the term. We know that a healthy lunchbox is vital for ensuring children have the right nutrients and enough energy to see them through the school day. The NHS and the Eatwell Guide suggest that a school lunchbox should contain the following things:

Starchy food – this could include potatoes, bread, pasta, rice, wraps, pitta bread

Plenty of fruit and vegetables, 1-2 portions each day

A portion of meat, dairy food and/or a non-dairy source of protein (these could be sandwich fillers, a yoghurt, some cheese)

A drink – healthy options include water or semi-skimmed milk. It would be best to dilute fruit juice or smoothies to reduce the sugar intake. Snacks and healthier treats – popcorn, vegetable sticks, bread sticks, fruit, nuts

If you want some more varied ideas, you could look at the BBC Good Food website for School Packed Lunch Inspiration, the NHS website for Healthier lunches or Food, A Fact of Life for Healthy Lunchboxes.

Good luck to each class, let the competition begin!

## YEAR 4 AND 5 TRIP TO M SHED

On Monday 17<sup>th</sup> April, Years 4 and 5 were lucky enough to be invited to M Shed to view the Wildlife Photographer of the Year Entries. We were shown around by students from UWE and we chose our favourite photograph. We couldn't believe that some of the photographs had been taken by children and these were actually some of our favourites! After, we had the opportunity to use cameras to take pictures of the local area, practising our zooming and focussing on the subject. We had a brilliant time and learnt a lot.

## DINNER DEBT

You may have received an email from us this week about any dinner or breakfast club debt you may have. Dinner debts of over £50 will mean that you are unable to book school lunches or breakfast club until it is cleared. Any dinner or breakfast club debt is carried by the school and comes directly out of the school budget meaning we cannot buy other things for our pupils. We know that this can be tricky but please know we are putting this new measure in place to stop debts getting unmanageable. Please do not take offense to this but call the office and we will work out a plan to get this paid in a manageable way- we want to help in any way we can.

## GLASSES!

It has been exciting to see lots of children coming into school with new glasses! We know that adjusting to glasses can be tricky for some children so below is a link to a variety of stories that you could share to support them with this transition:

<https://www.scholastic.com/parents/books-and-reading/raise-a-reader-blog/9-fun-books-kids-who-wear-or-need-glasses.html>

You can watch readings of these on you tube!

Here is also a link for ideas of how to support your child at home in wearing their glasses:

<https://www.mathervisiongroup.com/getting-kids-wear-glasses> If your child is finding it particularly tricky adjusting to wearing glasses, please let their class teacher know and we can make sure that we are repeating the same positive messages that you are at home!

## RELATIONSHIPS AND SEX EDUCATION (RSE) THIS TERM WEEK OF 15<sup>th</sup> MAY

This term, Week of 15<sup>th</sup> May 2023 your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of their PSHE learning. Please visit our website

[www.oasisacademybankleaze.org](http://www.oasisacademybankleaze.org) and go to; *Oasis Curriculum, localised curriculum RSE curriculum detail* to see a more detailed overview of the RSE curriculum. If you would like to find out more about what your child will be learning, we will be holding an informal workshop for parents on Thursday the 27<sup>th</sup> April from 2.30pm- 4.00pm, where you can come and find out more about what children will be learning in class, what materials and resources are used and how you can best support your child when discussing these topics at home.

## OASIS HABITS

### CONSIDERATE April

In the month of April, we will be starting to look at our Considerate habit. We will be focusing on the following behaviour indicators with the children. We want to see them:

- Welcoming others and helping them to feel at home and safe;
- Treating others with care and kindness;
- Being helpful and looking to make sure that others are okay and have what they need.

# Star of the Week!

A HUGE well done to this week's winners. You've worked really hard and have shown an exceptional attitude to learning! 17th Mar 2023

<b>R</b>	Aden	-For fantastic concentration in Maths this week. Aden was very enthusiastic when we played our subitising Bingo game and even wanted to play again! Well done Aden
<b>1</b>	Lainee-Rae	-For trying her best in all areas. We have been especially impressed with your mathswork and how you have volunteered to answer questions on the carpet.
<b>2</b>	Ronnie	-For being determined to improve his handwriting by using clear finger spaces
<b>3</b>	Kieran	-For showing self control with all of his learning.
<b>4</b>	Theo M	-For working really hard in class, especially in trying to improve his handwriting in English lessons. He always has so many good ideas to share in lessons too!
<b>5</b>	Fabian	-For great work in English with his writing and for fantastic behaviour all week.
<b>6</b>	Jay	-For his fantastic attitude in his writing and a great effort to improve his handwriting. He has also shown great understanding with angles in Maths this week.
<b>Teacher</b>	Miss Cockle	-For always being there for Y6 and going above and beyond whenever needed- thanks Kerry!
