YEAR 5 BRISTOL AVON RIVER TRUST WORKSHOP

On Wednesday, Year 5 took part in a water workshop with Bristol Avon River Trust. We had a great morning learning about the different rivers in our city and we also used our map skills that we learned about in Term 3 to find the rivers. We also learned how water is able to reach our homes. It was a fun and informative morning. We have loved learning all about Global Goal 6- Clean Water and Sanitation as well as the water cycle this term!

PARENT'S EVENING

Don't forget it's parents evening next week for Nursery-Y5. Please sign up on MCAS for an appointment on either Wed 20th or Thurs 21st March. School will finish at normal time on both days, however if you have an afternoon appointment on the Wednesday and would like to take your child/ren once you have finished your appointment you may go to the office and ask to collect them. Y6 parent's evening will take place on Tues 26th March to include the children's most recent SATs results.

END OF TERM THURS 28th MARCH

Don't forget, we will be finishing T4 on Thursday 28th March. School will finish at normal time on Thurs 28th March with Sunset Explorers and clubs still running as usual. We look forward to seeing everyone after the break on Mon 15th April at 8:45am

KS1 AND RECEPTION EASTER PARADE

Reception and KS1 would like to invite you and your children to take part in a traditional Easter Bonnet Parade on the afternoon of Wednesday the 27th of March.

Pupils wanting to enter the parade will need to design and create their own Easter bonnet at home and bring it into school on the morning of the 27th of March in a named bag. You could use old hats from home and repurpose them, keeping in line with Year 1's Global Goal and repurposing old items, or go all out and sew a bonnet from scratch. Be as creative as you wish.

Parents and carers are invited to come and watch the parade at 9:00am in the hall. There will be a parade and some Spring themed readings from children.

We look forward to seeing all the children's Spring and Easter theme bonnets.

NEW IPADS!

We have started to refresh the children's ipads meaning every child will have a new ipad by the end of term. This will help us keep up to date with the latest apps and software used in education. Please refer to Miss Pope's letter sent this week (this can be found on the school website if you have misplaced it) which explains more and gives information about returning chargers. Thank you to Miss Pope for her great work on undertaking this huge task!

KS2 EASTER EGGSTRAVAGANZA

KS2 will be celebrating the Easter festival by decorating hard boiled eggs in any way they like at home and bringing them to school on Wednesday 27th March. All eggs will get judged during the day and prizes given for each year group. Watch out for Facebook announcements for our winners. Extra prize for the best egg that links to our Global Goal and theme of Building a Sustainable World!

HAVE YOU NOTICED OUR SCHOOL FLAG POLE?

Since we were awarded our Eco School Green Flag award we were lucky enough to get some funding for a flagpole. You may have noticed we have been putting different flags on the flag pole at different times. We are wanting to incorporate and represent different festivals and celebrations by introducing new flags as well as proudly displaying our eco flag at times too! We will be doing more work with the children on this over the next few months. If you think there is a flag we should fly, do let us know!
