

YEAR 5 FIELDWORK AT BLAISE CASTLE

On Thursday, year 5 went to Blaise Castle to complete their Geography fieldwork. We have been learning about rivers and so we decided to see which part of Hazel Brook River was the deepest. We walked to Blaise and carried out our fieldwork using a metre stick to measure the depth of the water, and we recorded our findings on our data collection sheet. After the children found 5 measurements, they found the average depth. We learned that the middle of the river was the deepest. It was a great way to end our learning.

BANK LEAZE FEST 2024

We're very excited to announce our Bank Leaze Fest 2024. This will take place on Monday 22nd July 2024. We will be having games, nail and hair bar, tombola, a bouncy castle and lots more. We will also have Sav's ice cream returning to us as well. It's going to be a great day.

RECEPTION FIELDWORK

Reception enjoyed taking part in their fieldwork project, last week. Our aim was to find out which area of the school had the most litter. We split up into four groups and used the litter pickers to collect the rubbish. We collected 6KG of litter altogether during our litter pick and we weighed it all afterwards. We found 2KG on the field behind the caravan and 2KG on the KS2 playground! Reception have begun to think about how we can reduce the amount of litter at Bank Leaze. We have also begun to think about how littering can affect our planet and the wildlife within those areas. Reception really enjoyed sharing our fieldwork at our class assembly. Well done, Reception!

KS1 TUTOR WORKSHOP

While Key Stage 2 were out learning about the Tudors Years 1 and 2 were enjoying a Tudor experience in school. Dr Emily from Time Tots led the children in a series of activities learning about the Mary Rose ship, tasting Tudor food and 'wine' and even excavating a Tudor pool! We had a great time exploring the Tudor world in a practical way although the food options from Tudor times were not that popular!

KS2 TUDOR TRIP TO BULLACE

On Thursday 20th June, all of key stage 2 ventured over the bridge to Wales to go back in time to the Tudor Period. When we arrived it was the reign of Elizabeth I and we were greeted by the villagers. We explored the whole village seeing the different jobs on the village and how the people lived. We saw how clay pots were made and even went over to the kiln. We saw how bread and cheese were made and even got to see some of the animals on the farm. What a fantastic day with lots of Tudor learning.

R	The whole of Reception Alex the Bear	For working so hard preparing and performing their class assembly this week! Ariana Olatunji
1	All of Year 1	For fantastic involvement in our Tudor workshops.
2	Benjamin Morus	For showing off his Tudor knowledge during our Tudor workshop!
3	All of Year 3	For showing fantastic behaviour at Bullace Hill. All of year 3 showed respect to the Tudor Villagers and asked fantastic questions. I was really pleased to see how many children thought like historians.
4	Ariana Williams	For having an amazing year at Bank Leaze. We are so sad to see her go but she has been an amazing superstar this year who always puts a smile on everyone's face
5	Francis Fielding	For working hard in his assessments this week
6	Victoria Donge De Melo	For leading the yellow team so well and to victory! on Sports Day!
Teacher	Miss Gatling	For organising such an amazing experience for KS2. The children are now experts on the Tudors!

Key Dates		
Friday 21st June	Inset Day	All
Mon 24th June	Inset Day	All
Tues 25th June	Bristol Together football	Y5
Wed 26th June	Teddy Bear Picnic for New Reception 2024 Families	New Reception 2024 families
Tues 3rd July	Trip to Belmont Estate	Y3
Wc 8th July	Activity week	Y6

Year 2	96%	
Year 3	90%	
Year 4	90%	
Year 5	88%	
Year 6	98%	
Whole School	91%	

Habit of the Month

HUMBLE
June is the habit of 'Humble'.
We will be focusing on the fol-

lowing behaviour indicators with the children. We want to see them:
Treating all people equally.
Asking for help when they need it.
Listening well to feedback and trying to apply advice given

PEDESTRIAN GATE

We've noticed that parents have been propping open the pedestrian gate when they are dropping children in so that they don't have to buzz out. We understand why this may seem like a good idea, however parents are then forgetting to close the gate and the gate is being left open. Even propping it open for the short time you drop off means our site is not secure. Can we please ask parents not to prop open any gates in school unless asked. Please don't be offended if a member of staff mentions this to you, we need to do all we can to make sure the site is secure at all times.
