

ECO TEAM GREEN FLAG AWARD

This year the Eco Team have achieved the highest level of Green Flag being awarded distinction level. We are the highest scoring academy for the whole of Oasis. Here is some of the feedback we received: One of your outstanding successes was the incredible work that has been done by the gardening club. They have grown fruit and veg and kept the area maintained. You have battled to keep the school grounds looking clean and litter free.

GREAT BANK LEAZE BAKE OFF!

Years 1-6 this week have been baking and cooking delicious dishes from their linked Oasis Global Country. We have tasted ingredients, designed recipes and learned new preparing and cooking techniques.

Year 1 created a traditional South African dish called bunny chow. Don't worry no bunnies were involved. The dish involves hollowing out a bread roll and serving chicken or vegetable curry inside.

Year 2 made spicy India inspired pitta sandwiches combining onion bhajis, yoghurt, mint, coriander, and tandoori chicken.

Year 3 combined plantain with traditional Ugandan ingredients to make the much loved Matoke!

Year 4 will be cooking banana bread

Year 5 made Belgian buns with lemon curd and raisins. We had a fantastic time making them and eating them as well.

Year 6 will be making scones

Habit of the Month

HUMBLE

June is the habit of 'Humble'. We will be focusing on the following behaviour indicators with the children. We want to see them:

- Treating all people equally.
- Asking for help when they need it.
- Listening well to feedback and trying to apply advice given

RESIDENTIALS

We are keen to expand our residential opportunity for children at Bank Leaze. We know how much children get out of these opportunities and how much personal development and growth can happen as a class. At the moment, for the next Academic year 24/25, we are hoping to take Y4 for a night in November to the Wye Valley on an outdoor adventure at a Youth Hostel and Y5 to stay overnight in London after their Young Voices experience and see a West End show in February. We will give you more details on this (hopefully!) before the end of this summer term. We will keep the costs down as much as we possibly can and will give plenty of time to pay in instalments. The Y6 residential will remain as a 3 day stay at PGL.

SUMMER HOLIDAY FREE SCHOOL VOUCHERS

We have been informed by Bristol City Council that the Free School Meal voucher issued over the holiday will be reduced for all children across Bristol. The FSM voucher amount for the summer will be £45 per child in total. Bristol City Council have stated that this is due to a reduction in funding for them to distribute this offer. We are aware that this may affect some families who had planned for more support. We will be putting together information for where else to get food support over the summer if needed. Please do get in touch with your class teacher or Miss Pope if you feel you will be affected by this and need support.
