

24<sup>th</sup> March 2021

Dear Parent/Carer,

As part of the national Holiday Activity and Food Programme funded by the Department for Education, local organisations have joined together to create one Easter Holiday Activity Programme for children and young people in the area.

Due to Covid Guidance from Public Health, we must limit each session to students from one particular local school. Below is an outline of the activities that are available to students from Oasis Academy Bank Leaze.

Additionally, due to funding restrictions set by the government, these sessions are only available to students that qualify for free school meals.

All sessions are free to attend and will include a packed lunch. Places will be allocated on a first come first served basis – 15 children max per session.

To book your child's place please complete the booking form via this link:
