

# KNOWLEDGE ORGANISER: Houses and Homes

Where do I live?

What does my home look like?

How are homes built?  
Three Little Pigs

What do other homes look like?

## We will be:

Exploring photograph of ourselves and our homes.

Exploring different houses, homes and buildings in our local area.

Designing and build our own houses

Reading the story of The Three Little Pigs and joining in with repeated phrases.

## Key information:

Our school is in an area called Lawrence Weston - that is our community.

Some key buildings we have in our communities are:

Our School, our homes, St Peter's Church, Lidl, Lawrence Weston Community Farm, King's Weston House, Blaise Castle.

We all live in different homes: houses, flats, bungalows, caravans.

Not all communities around the world look like same. In some countries people live in mud huts or igloos. Mud huts are made of mud and straw and igloos are made of blocks of ice.

## Learning at home

Go for a walk in your local community - what can you see? Who lives next door?

Can you build a house at home using blocks or junk modelling?

Can you find a home that is different to the one you live in?
