Blue Penguin - Petr Horacek

A moving fable about friendship and belonging from award-winning illustrator Petr Horáček. Far away, near the South Pole, a blue penguin is born. It is not something you see every day. "I feel like a penguin," says Blue Penguin. "But you're not like us," the others tell him. Blue Penguin can't jump or dive very well, so the others wander off and leave him behind. In his loneliness, Blue Penguin begins to dream, and he starts to sing. Will he ever convince the other penguins that he is one of them?
