

Are you claiming free childcare for your 3 or 4-year-old?

ALL 3 to 4-year-olds in England can receive 15 hours of free childcare each week regardless of whether you or your partner work.

Working parents

Most working parents are eligible for 30 hours of free childcare each week. If you (and your partner, if you have one) work then you will be entitled to 30 hours of free childcare if you (and your partner) earn the equivalent of 16 hours per week at national living wage (i.e. £146.56 per week at the current rates). For more info please visit <https://www.gov.uk/30-hours-free-childcare>
